The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with tax problems they’ve been unable to resolve on their own with the IRS. Our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we’ll assign a Case Advocate to work directly with you.

Meet your Local Taxpayer Advocate and Low-income Tax Clinic Director and learn how you can resolve an existing tax problem or how to avoid refund delays.

The Taxpayer Advocate Service is an independent organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS’s services are free to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven’t been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn’t working.

Low Income Taxpayer Clinics (LITCs) ensure the fairness and integrity of the tax system for taxpayers who are low income or speak English as a second language by:

- Providing pro bono representation on their behalf in tax disputes with the IRS;
- Educating them about their rights and responsibilities as taxpayers; and
- Identifying and advocating for issues that impact low income taxpayers.
