The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with tax problems they've been unable to resolve on their own with the IRS. Our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

TAS's Problem Solving Day event will be held at the Mt. Washington Healthy Active Living Community Center (HALCC) in Pittsburgh, PA on Thursday, March 28, 2019 from 10:30am until 12:30pm.

This will include an introductory presentation about TAS's services; following the presentation, an open forum for questions will be held and TAS employees in attendance will be made available to assist with questions.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
