

Have a tax problem you haven't been able to resolve with the IRS? The **Taxpayer Advocate Service** will assist taxpayers in person at its upcoming

Problem Solving Day

What: Taxpayer Advocate Service - Problem Solving Day

Where: Arden-Dimick Library in the Arden-Dimick Meeting Room
891 Watt Avenue, Sacramento, CA 95821

When: Tuesday, June 12 – 9:00 am – 12:30 pm

The Taxpayer Advocate Service (TAS) will be available to assist taxpayers in person with tax problems they have not been able to resolve with the IRS. Our goal is to provide one to one guidance on next steps to resolve your tax issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your tax issue.

This Problem Solving Day event will be held in the Arden-Dimick Meeting Room at the Arden-Dimick Library. TAS employees from the Sacramento office will be available to assist taxpayers who are having financial hardships and who haven't been able to resolve their IRS tax problems. You may call 916-974-5007 to schedule an appointment, or walk-in for assistance.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
