The Taxpayer Advocate Service will be available to assist seniors, caretakers, and family members with tax issues they have not been able to resolve with the IRS. Seniors and their caregivers have unique tax circumstances that we can assist in securing resolution or educate them about these situations. Our goal is to provide personalized, step by step, guidance. If your tax problem meets our criteria, we will assign a Case Advocate to work directly with you.

Our Problem Solving Day event will be held in the Laramie County Library's Willow Room located on the first floor, 2200 Pioneer Avenue, Cheyenne, Wyoming, on Wednesday, June 26th, from 10:00 a.m. to 3:00pm p.m.

Taxpayers may also call the local Taxpayer Advocate Service office at 307-823-6866 for an appointment.

The Taxpayer Advocate Service is an independent organization within the Internal Revenue Service. We help taxpayers resolve tax problems, recommend changes to prevent future tax problems, protect taxpayer rights, and our **services are always free.** If you are a taxpayer who:

- Is experiencing a financial hardship or having financial difficulties because of a tax problem
- Has not been able to resolve an IRS tax problem
- Is overwhelmed by your tax issue
- Believes an IRS system or procedure isn't working

Then TAS is the right avenue for you. Please attend this Problem Solving Day or call us at the number listed above.
