The Taxpayer Advocate Service (TAS), an **independent** organization within the Internal Revenue Service, will be available to assist taxpayers in person with tax problems they have not been able to resolve with the IRS. The goal of TAS is to provide one on one guidance and direction on the next steps. If your problem meets criteria, we'll assign a Case Advocate to work with you to resolve your issue.

The event will be held at the Iowa Center for Higher Education, Activities Center in Des Moines, June 29th from 9:00 am to 12:00 pm.

The Taxpayer Advocate Service helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. This service is **free**.
