The Taxpayer Advocate Service (TAS) will be available to assist practitioners in person with clients' tax problems they haven't been able to resolve with the IRS. Our goal is to provide one to one guidance on next steps and case building ideas so you can help your clients. If your client's problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your client's tax issue.

The Taxpayer Advocate Problem Solving Day event during the Arizona Forum for Improvement of Taxation's Summer Tax Seminar will be held on July 19, 2018 from 9:00 am to 4:45 pm at the Black Canyon Conference Center and does require registration. More information about the event and registration is available at www.afitaz.org. For the most effective service, please bring a copy of your executed IRS Form 2848, Power of Attorney, to ensure we can speak to you about the specifics of your client's tax problem.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
