The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients' tax problems they've been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients' tax matter. If your clients' tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

TAS's Problem Solving Day event will be held at the Minnesota Department of Revenue on July 24, 2019 from 8:30am-10:30am.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
