The Taxpayer Advocate Service (TAS) will be available to assist taxpayers in person with tax problems they haven't been able to resolve with the IRS. Our goal is to provide one to one guidance on next steps to resolve your tax issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your tax issue.

The Taxpayer Advocate Service will be available to assist taxpayers who are having financial hardships and who haven't been able to resolve their problems with the IRS. Volunteers with Community Resource Center will prepare tax returns for taxpayers with incomes of \$54,000 or less. To schedule your appointment, please call **(760) 753-8300 Ext. 1301**. Walk-ins are welcome.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
