The Taxpayer Advocate Service (TAS) will be available to assist taxpayers in person with tax problems they have not been able to resolve with the IRS. Our goal is to provide one to one guidance on next steps to resolve tax issues.

If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your tax issue. Also, you'll find out how a Low-Income Taxpayer Clinic (LITC) assists with tax matters. You don't need an appointment. Representatives will need a valid Power of Attorney (POA) on file with the IRS or they can bring their client's signed Form 2848 or 8821. TAS may still be able to assist with general information or questions if a valid POA is not on file or presented.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should---And our service is **free**.
