The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with tax problems they've been unable to resolve on their own with the IRS. Our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

TAS's Problem Solving Day event will be held at the Save the Family Community Center, 129 E University Drive, Mesa, AZ on Saturday, August 24, 2019, from 8:00 am to 12:00 pm. Registration starts at 7:30 am.

Certified volunteers will be onsite to help you prepare your current and prior year tax returns, and TAS can assist you with obtaining your Wage and Income Transcripts, if you no longer have records of your income.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
