The Taxpayer Advocate Service will be available to low income taxpayers, in person, with tax problems they have not been able to resolve with the IRS. Low Income Taxpayers often have unique circumstances and need personal tax assistance. Our goal is to provide taxpayers one on one direction to resolve their tax issues. If their tax problem meets our criteria, we will assign a Case Advocate to work their problem.

Taxpayer Advocate Service has partnered with Community Action of Laramie County. They are dedicated to eliminating poverty by empowering people through education, advocacy, crisis intervention, and by providing opportunities toward self-sufficiency.

Taxpayer Advocate Service, Community Action of Laramie County and Legal Aid of WY employees will be available in the second-floor conference room at 5353 Yellowstone Road, Cheyenne, WY, Friday, September 7, from 9:00 AM - 4:00 PM. Taxpayers may call the local Taxpayer Advocate Service office at 307-823-6866 for an appointment or for additional information.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
