The Taxpayer Advocate Service (TAS) will be available to assist taxpayers in person with tax problems they have not been able to resolve with the IRS. Our goal is to provide one to one guidance and direction on next steps to resolve your issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your issue.

TAS is partnering with the Center for Great Neighborhoods – a Low Income Taxpayer Clinic and the United Way of Greater Cincinnati at this Problem Solving Day event which will be held at the Hellmann Creative Center in Covington, KY on September 15. These partners will be available to assist with tax and financial matters.

The Taxpayer Advocate Service is an *independent* organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
