The Taxpayer Advocate Service (TAS) will be available to assist seniors, caretakers, and family members with tax issues they've been unable to resolve on their own with the IRS. Seniors and their caregivers have unique tax circumstances and TAS can educate and assist you with resolving related tax issues. Our goal is to provide personalized, step by step, guidance. If your tax problem meets our criteria, we will assign a Case Advocate to work directly with you.

The Problem Solving Day event will be held in the Primary Care Waiting Room of the Cheyenne VA Medical Center in Cheyenne, Wyoming, on Wednesday, September 25th, from 10:00 am to 3:00 pm. Taxpayers may call the local Taxpayer Advocate Service office at 307-823-6866 for an appointment.

TAS is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS **services** are free to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
