The Taxpayer Advocate Service (TAS) will be available to assist Veterans with tax problems they've been unable to resolve on their own with the IRS. Our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

TAS's Problem Solving Day event will be held during the Veterans Town Hall at Northeast Regional Command, 9600 Dyer Street, El Paso, TX on Saturday, October 5 from 1:00 p.m. to 3:00 p.m.

U.S. Congresswomen Veronica Escobar will update the community on what she is doing to care for our veterans and how her staff is working to improve the Department of Veterans Affairs (VA). If you are a veteran and are having issues with the VA, you're encouraged to attend and meet with her constituent services team to discuss how you can receive help. There will also be VA staff on site to answer other questions.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
