The Taxpayer Advocate Service (TAS) will be available to assist Veterans with tax problems they've been unable to resolve on their own with the IRS. Our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

TAS's Problem Solving Day event will be held at The Landing on Hill Air Force on November 15, 2018 from 10:00 a.m. to 2:00 p.m.

The Combat-Injured Veterans Fairness Act of 2016 required the Department of Defense (DoD) to notify approximately 130,000 veterans that a previously reported lump sum disability severance payment that they received was incorrectly reported as taxable. These taxpayers are entitled to a refund of the tax paid on their severance payment. The DoD letters inform the veterans of the amount reported incorrectly and provide information on how to file a claim with the IRS.

The Taxpayer Advocate Service is an *independent* organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's *services are free* to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
