The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with tax problems they've been unable to resolve on their own with the IRS. Our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

TAS employees will assist taxpayers on December 7, 2018, at Congressman Dwight Evans office. The Low-Income Taxpayer Clinic will also assist with tax matters. Representatives will need a valid Power of Attorney (POA) on file with the IRS or they can bring the client's signed Form 2848 or 8821. TAS may still be able to assist with general information or questions if a valid POA is not on file or presented.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
