The Taxpayer Advocate Service (TAS) will be available to assist taxpayers in person with tax problems they have not been able to resolve with the IRS. Our goal is to provide one to one guidance and direction on next steps to resolve your issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your issue.

Salt Lake City TAS employees will be available to discuss federal tax issues at the Sorenson Unity Center on April 5. Please bring all pertinent information regarding your tax issue such as IRS notices, copy of your return, etc. No appointment necessary. **Note:** TAS employees cannot accept or process tax returns or payments.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems --- And our service is **free**.
