The Taxpayer Advocate Service (TAS) will be available to assist Veterans in person with tax problems they have not been able to resolve with the IRS. Our goal is to provide Veterans one to one guidance and direction on next steps to resolve your issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work with you to resolve your issue.

The Portland Local Taxpayer Advocate will be available during the conference. You can make an appointment to meet with him when you register or at any time during the event. To help us get to the bottom of your tax issue, please bring a copy of any IRS letters you've received, a copy of the tax return for the tax year at issue, and any other relevant information.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
