The Taxpayer Advocate Service (TAS) will be available to assist Associated Credit Union's employees and members in person with tax problems they've not been able to resolve with the IRS. Our goal is to provide one to one guidance, next steps and education to help you resolve your tax issue. If your tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

TAS employees will be available during the Problem Solving Day event on Wednesday, June 20, 2018. You don't need an appointment.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. We help taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And our service is **free**.
