The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with tax problems they’ve been unable to resolve on their own with the IRS. Our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we’ll assign a Case Advocate to work directly with you.

The Los Angeles Local Taxpayer Advocate staff will meet with you virtually by phone. Please call (213) 232-2700 (Yuri) to briefly discuss your tax issue and to schedule an appointment. You may also schedule an appointment at https://kycc-litc.as.me/Yuri (requires phone number and email). Yuri will schedule your phone or in-person appointment for November 18, 2020.

Taxpayer Advocate Service is an independent organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS’s services are free to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven’t been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn’t working.
