The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients' tax problems they've been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients' tax matter. If your clients' tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

The Fall IRS Practitioner seminar will begin at 9:00 AM and the Salt Lake City Local Taxpayer Advocate will be available from 10:00 AM to 1:00 PM to discuss unresolved IRS tax issues. If you'd like to talk with TAS about your client's tax issue during this Problem Solving Day event, please call (801) 799-6962 starting at 10:00 AM or fax [Form 911, Request for Taxpayer Advocate Service Assistance](#), to (855) 832-7121. Please have all your client's pertinent tax issue information such as IRS notices and copies of your tax returns available during the call.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
