The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with tax problems they've been unable to resolve on their own with the IRS. Our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

The Albuquerque, New Mexico Local Taxpayer Advocate's office is hosting a virtual Problem Solving Day event with the other partners listed above. You may call 505-737-6308 or 505-837-5505 on or before June 16, 2021 to schedule a telephone appointment to speak with a TAS case advocate about your tax issue or to speak with one of the partners.

Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
