The Taxpayer Advocate Service (TAS) will be available to assist practitioners with clients’ tax problems they’ve been unable to resolve with the IRS. Our goal is to provide personalized, step by step guidance and case building ideas specific to your clients’ tax matter. If your clients’ tax problem meets our criteria, we’ll assign a Case Advocate to work directly with you.

You must call in advance to schedule a phone appointment. When you call, please mention “Problem Solving Day”. All California TAS offices are participating so please call the nearest office to you.
