The Taxpayer Advocate Service (TAS) will host an event for seniors on December 15, 2021 at 12 noon central time. During the event, Local Taxpayer Advocates (LTAs) from several states will share information to help senior taxpayers understand their tax return filing requirements, tax benefits to claim, and where to find free help. LTAs will not be able to discuss specific tax matters during the event due to disclosure issues.

If you have tax problems you’ve been unable to resolve with the IRS, you should reach out to the TAS office closest to you using the telephone numbers below. For unresolved tax problems, our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we’ll assign a Case Advocate to work directly with you.

If you call about an unresolved tax matter, please mention **Problem Solving Day**.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS’s **services are free** to taxpayers who are:
