The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with tax problems they've been unable to resolve on their own with the IRS. Our goal is to provide personalized, step by step guidance. If your tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

You **must call (973) 921-4376 now** to schedule a phone appointment with the Springfield, New Jersey Taxpayer Advocate Service. There are a limited number of appointments available. When you call, please mention **Problem Solving Day**. Also, provide your name, telephone number, Social Security number, and a brief explanation of your issue. TAS will return your call within 72 hours.

Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
