The Taxpayer Advocate Service (TAS) will be available to assist veterans with tax problems they've been unable to resolve on their own with the IRS. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets our criteria, we'll assign a Case Advocate to work directly with you.

Local Taxpayer Advocate S. Erica Son and attorneys from the Legal Services of New Jersey Low Income Taxpayer Clinic will provide tips for avoiding tax return preparation mistakes that cause IRS processing errors and refund delays.

The Taxpayer Advocate Service is an **independent** organization within the Internal Revenue Service. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
