Have a tax problem you haven’t been able to resolve with the IRS?

The Taxpayer Advocate Service will assist taxpayers at its upcoming PROBLEM SOLVING DAY

What: Taxpayer Advocate Service Problem Solving Day
When: June 15, 2022 from 9:00 A.M. to 11:00 A.M.
Where: 550 W. Fort St.
Third floor, Room 384
Boise, Idaho

Partner: IRS Stakeholder Liaison

The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we’ll assign a Case Advocate to work directly with you.

Please bring all important information regarding your tax issue such as IRS notices, copies of tax returns, etc. Representatives will need to have a Power of Attorney (Form 2848) or Tax Information Authorization (Form 8821) on file or bring a copy with them. TAS may be able to assist representatives with general information if a valid authorization is not available.

NOTE: TAS employees cannot accept or process tax returns or payments.

TAS is an independent organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS’s services are free to taxpayers who are:

• Experiencing a financial hardship or having financial difficulties because of a tax problem;
• Trying, but haven’t been able to resolve an IRS tax problem; or
• Believing an IRS system or procedure isn’t working.
