The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

If you have questions about the Problem Solving Day event, what you need to bring with you, or the services that will be provided, you may call 980-202-7329 and leave a voicemail indicating you're calling about the "Problem Solving Day on July 19th." Someone from the Low Income Taxpayer clinic (listed above) will call you back. You do not need an appointment. This is an in-person only event. If you need assistance and are unable to attend, you can call TAS at 1-877-777-4778.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
