The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

TAS will meet with you personally to discuss your tax problems, to provide economic impact payment/recovery rebate credit account research, and to assist with delayed income tax refunds for tax years 2020 and prior. In addition, the LITC and VITA staff will assist with preparing and filing original and amended tax returns and providing legal advice and/or representation on complex tax issues.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
