The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

If you would like an appointment with TAS to discuss your unresolved tax matter or with one of the partners listed above to discuss the services they have to offer you, please call TAS for an appointment no later than November 25, 2022, at 505-737-6308 or 505-837-5505. Please have your information you'd like to discuss with TAS readily available such as copies of tax returns, letters and notices from the IRS, and any related records. If you need assistance and are unable to keep your scheduled telephone appointment, you can call TAS at 1-877-777-4778.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
