The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

If you would like to meet with TAS to discuss your unresolved tax matter and to discuss the services they have to offer you, walk-ins are welcome at the above address. If you need assistance and are unable to meet with TAS on April 25, 2023, you can call TAS at 1-877-777-4778.

Please have the information you'd like to discuss with TAS available such as copies of tax returns, letters and notices from the IRS, and any related records.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
