The Taxpayer Advocate Service (TAS) will be available to assist taxpayers' representatives with their clients' unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your clients' tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

Please bring with you the information you'd like to discuss such as copies of tax returns, letters and notices from the IRS, and any related records. If you need assistance and are unable to attend this event, you can call TAS at 1-877-777-4 778. Also, the TAS will be sharing information on TAS careers. TAS is hiring in positions such as customer service, accounting, tax law, human resources, communications, finance, technology and more.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
