**When:** Thursday, July 6, 2023, from 10:00 AM to 2:00 PM

The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

The LITC represents low income individuals in disputes with the IRS including audits, appeals, collection matters, and federal tax litigation.

Trained VITA volunteers will prepare your income tax returns and e-file them for free if your income is \$56,000 or less.

Community Works is a non profit organization that provides resources supporting small business growth, entrepreneurship, affordable housing and home ownership.

US Mortgage Lenders provides credit counseling with an end goal of home ownership.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
