The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

The International Taxpayer Advocacy Panel Member and TAS employees from the Hawaii office are partnering to deliver a virtual Problem Solving Day event. You may use the link above to access the event.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
