

► Have a tax problem you haven't been able to resolve with the IRS?

The Taxpayer Advocate Service will assist taxpayers at its upcoming **PROBLEM SOLVING DAY**

What: Taxpayer Advocate Service Problem Solving Day

When: Sunday, November 5, 2022 from 9:00 AM to 4:00 PM

Where: Internal Revenue Service
2970 Market Street
Philadelphia, PA 19104

Partner: Philadelphia Veterans Parade Organization

The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

Local Taxpayer Advocates will also provide tips for avoiding tax return preparation mistakes that cause IRS processing errors and refund delays.

Also, the TAS will be sharing information on TAS careers. TAS is hiring in positions such as customer service, accounting, tax law, human resources, communications, finance, technology, and more.

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
