The Taxpayer Advocate Service (TAS) will be available to assist taxpayers with unresolved IRS tax problems. Our goal is to provide personalized, step-by-step guidance. If your tax problem meets TAS case criteria, we'll assign a Case Advocate to work directly with you.

This Problem Solving Day will be for tax practitioners. Please gather all the information you'd like to discuss such as copies of tax returns, IRS letters and notices, and any related records.

If you are representing a client, please bring a signed copy of your Power of Attorney (Example: Form 2848, Power of Attorney and Declaration of Representative).

TAS is an **independent** organization within the IRS. TAS helps taxpayers resolve tax problems, recommends changes to prevent future tax problems, and protects taxpayer rights. TAS's **services are free** to taxpayers who are:

- Experiencing a financial hardship or having financial difficulties because of a tax problem;
- Trying, but haven't been able to resolve an IRS tax problem; or
- Believing an IRS system or procedure isn't working.
